

# A DAY I WILL NEVER FORGET

BY MARCIN KŁOS

**IT  
WAS A  
NORMAL  
SCHOOL  
DAY**

**Nothing special happened**

**1**

**Then I came back  
and ate lunch**

**2**

**Later I went to  
football training**

# In the evening

After training I took a shower and at 9 p.m. I started watching the football match.

# The emotions were huge, because I'm a fan of **Fc Barcelona**

First goal of the match was already in the **second minute** and this goal was scored by greek striker, playing for Benfica, Vangelis Pavlidis.

Then in **13th minute**, Robert Lewandowski, scored a penalty.

Suddenly in 22nd minute Pavlidis scored again.

When the situation was already bad for Barcelona, Pavlidis scored for the 3rd time in this match.

FIRST HALF OF THE MATCH ENDED WITH RESULT 3:1 FOR BENFICA

# feelings after first half

I was so frustrated, because of Szczęsny. He almost broke Balde's leg.

# first 25 minutes of the second half

Later Raphinha scored goal for Barcelona and when we had hope to win the match, Araujo scored an own goal. Result of this 25 minutes was 4:2 for Benfica.

Let's begin the magic part of this match

In 78th minute Lewandowski scored for the second time in this match.

After 8 minutes Eric Garcia scored a goal.

A draw was good ending for us, that's why I was satisfied.

Raphinha made  
my dreams  
come true

# A goal at the price of victory

in 90 th +6 Raphinha scored a priceless goal. the crowd were celebrating victory and I'm glad I could see this moment with my own eyes.

**why in my opinion this is  
the day I will never forget?**

Maybe, my whole day were a bit  
boring, but this match was incredible.  
That's why I chose this day.
